

A photograph of an antique fair display. In the foreground, two ornate wooden chairs with bright yellow upholstery flank a central wooden chest of drawers. On top of the chest are two large blue and white ceramic vases. The background is filled with various antique furniture, including a dining table with chairs, a sideboard, and a large wooden cabinet. The walls are a light green color, and there are framed pictures and a mirror. The overall atmosphere is that of a well-stocked antique shop or fair.

WELCOME TO ROUND TOP

here's everything you need to know

The Show is huge and for new shoppers this can be daunting at first. But we are here to help!

This guide is the product of many years of experience as both a shopper and show promoter. Years ago we would sit down with friends on their first visit to Round Top and hand draw a map showing them where to shop and dine. We'd always be sure to point out our favorite spots for treasure hunting that shouldn't be missed. In essence this guide is that: a list of our favorite places and all our tips and tricks for shopping The Show.

Use this guide as a taste of the best that Round Top has to offer! We hope y'all like our recommendations!
Happy shopping -

XOXO
The Layne Family

shop like a PRO

Dress for the Texas weather and rural setting. Many of the venues are just tents set up in cow pastures so dress accordingly! We recommend cowboy boots or tennis shoes as you may walk through grass, gravel, mud, uneven surfaces and the like. Bring light layers as it's frequently cool in the morning/evening and heats up in the middle of the day.

Plan to eat lunch out in the field to maximize your shopping time. most major venues have great food trucks or restaurants on property. Be sure to make dinner reservations in advance as wait times are very long on the weekends and during the last week of the show.

Closest airports:
Austin & Houston.

Rent a car!
There are no rideshare services.

BRITISH DESIGN SENSIBILITY

*A Conversation with Nicola Harding,
Joa Studholme & Jo Bailey*

WITH FEATURED BRAND FARROW & BALL

SUNDAY, MARCH 22ND

Join us for an inspiring conversation with celebrated British interior designer Nicola Harding alongside Joa Studholme, Farrow & Ball's in-house color curator, consultant and author. Moderated by Jo Bailey, Editor of Homes & Gardens magazine, these three leading voices will explore the principles that define British interiors, beloved for its color, whimsy, and storytelling, and share how these ideas translate across places and cultures, from English country houses and London hotels to homes in Texas and everywhere in between.

After the talk, stay to mingle with Nicola, who will be signing copies of *Homing Instinct*.
